		003260000_Tritheimus_Steganographia	Steganographia				1608	pdf	la	This is Trithemius's most famous work, written c. 1490 and published in Frankfurt, 1606. This book is in three volumes, and appears to be about magic; specifically, about using spirits to communicate over long distances. Since the publication of the decryption key to the first two volumes in 1606, they have been known to be actually concerned with cryptography and steganography. Until recently, the third volume was widely still believed to be solely about magic, but the "magical" formulae have now been shown to be covertexts for yet more cryptography content. However, mentions of the magical work within the third book by such figures as Agrippa and John Dee still lend credence to the idea of a mystic-magical foundation concerning the third volume.			1	Moreh	0		2018-04-01		R

061250100_Pike_MoralsandDogma	Morals and Dogma	1872	pdf	en	Apprentice, The Fellow-Craft, The Master, Secret Master, Perfect Master, Intimate Secretary, Provost and Judge, Intendant of the Building, Elect of the Nine, Illustrious Elect of the Fifteen, Sublime Elect of the Twelve, or Prince Ameth, Grand Master Architect, Royal Arch of Solomon, Grand Elect, Perfect, and Sublime Mason, Chapter of Rose, Knight of the East or of the Sword, Prince of Jerusalem, Knight of the East and West, Knight Rose Croix, Council of Kadosh, Grand Pontiff, Grand Master of All Symbolic Lodges, Noachite, or Prussian Knight, Knight of the Royal Axe, or Prince of Libanus, Chief of the Tabernacle, Prince of the Tabernacle, Knight of the Brazen Serpent, Prince of Mercy, or Scottish Trinitarian, Knight Commander of the Temple, Knight of the Sun, or Prince Adept, Grand Scottish Knight of St. Andrew, Knight Kadosh	1	This is considered a standard work but I don't think many have actually read it from cover to cover (neither have I). It is nice to browse through and dive into its historical records of degrees, grades, symbols and accounts of ancient civilisations against the backdrop of freemasonry. There are many references to alchemy throughout the book and even though many of them ring true, Pike most probably was not a practicing alchemist. "All the Masters in Alchemy who have written of the Great Work, have employed symbolic and figurative expressions, being constrained to do so, as well to repel the profane from a work that would be dangerous for them, as to be well understood by Adepts, in revealing to them the whole world of analogies governed by the single and sovereign dogma of Hermes."	Moreh	0	2018-01-05		L
061250100_Scarborough_AlchemyandFreemasonry	Scarborough C.R - Alchemy and Freemasonry	1977	pdf	en	Zosimus of Panopolis and the The Divine Art of Making Gold and Silver, society of Alchemists in the Hague in 1622 which called itself Rose Croix, Hermetic Society in Westphalia, Hermetic Masons, Fama Fraternitatis by Nicolai, Brother Eugenius Philaethes,	1	A most interesting section of this paper relates to Eugenius Philaethes, who apparently indicated that there were in the year 1721, higher degrees, or at least a higher degree, attached to the Masonic system and claimed to be a part of it, which possessed mystical knowledge that was concealed from the great body of the Craft, "who were not far illuminated, who stood in the outward place and were not worthy to look behind the veil" - by which it is clearly implied that there was another class of initiates who were far illuminated, who stood within the inner place and looked behind the veil.	Moreh	0	2018-01-05		L

061.250.200 Rosicrucianism

061250200_AMORC_AlchemyClassArtifact	AMORC- Alchemy Class Artifact	2018	pdf	en	Possible artifact from 1940's RCU transmutation experiment with Images and AMORC references	Aashiq al-Hikma → IGF	1	Item from personal collection	Aashiq al-Hikma	5		2018-01-10		L
061250200_AMORC_AlchemyCourse_1943	AMORC- Alchemy Course 1943	2018	pdf	en	"Rosicrucian Alchemical Experimental Course", circa 1943.	Collection: "RCU Alchemy Binder, George Fencke, circa 1943" George Fencke → Fencke estate → Aashiq al-Hikma → IGF	1	Circa 1943. Likely earliest published version of course intended to introduce AMORC members to practical alchemy. Unlike later versions of this document, this has no document number/revision date as is typical with AMORC publications, even prior to this time period. It refers to a 'pelican' as part of the apparatus included with the Alchemy Kit of that period. According to Orval Graves, this apparatus was discontinued due to concerns with cost to produce.	Aashiq al-Hikma	5	No previous distribution to my knowledge.	2018-01-05		L
061250200_AMORC_HandoutAlchemyClass_1940s_1	AMORC- Handout Alchemy Class 1940s – 1	2018	pdf	en	"Rosicrucian Alchemy" with correspondences, signs, symbols, units of measure, etc., as typically used in historical Rosicrucian Alchemical manuscripts and books.	Collection: "RCU Alchemy Binder, George Fencke, circa 1943" George Fencke → Fencke estate → Aashiq al-Hikma → IGF	1	Circa 1943. Note that this information was included in "The Alchymist's Handbook" by Frater Albertus, also a participant in the RCU Alchemy Classes during this period.	Aashiq al-Hikma	5	This was likely reproduced and given as a handout in RCU Alchemy Class level 1 in 1988 and following.	2018-01-05		L
061250200_AMORC_HandoutAlchemyClass_1940s_2	AMORC- Handout Alchemy Class 1940s – 2	2018	pdf	en	"The Philosopher's Stone" from Collectanea Chemica, an excerpt	Collection: "RCU Alchemy Binder, George Fencke, circa 1943" George Fencke → Fencke estate → Aashiq al-Hikma → IGF	1	Circa 1943, a mimeograph (or similar technology) reproduction given as a handout to RCU Alchemy students. Begins with Chapter III of this text from "Collectanea Chemica".	Aashiq al-Hikma	5	No previous distribution of this source document.	2018-01-05		L

061250340_Peterson_GrimoirduPapeHonorius	Grimoire du Pape Honorius	Peterson, J.H.	1999	pdf	fr	The Grimoire of Honorius was described by A.E. Waite as "perhaps the most frankly diabolical of the Rituals connected with Black Magic." In deals directly with the most hated and feared of demons found within Judeo-Christian traditions, such as Lucifer and Astaroth. In addition, its reputation was built up by famed Nineteenth Century French occultist Eliphas Levi, who described it as horrible, wicked, and profane. Honorius amalgamates elements from other grimoires, such as the Key of Solomon and the Grimorium Verum, with Catholic priestly ritual. The result is truly bizarre. The editor of the document states his belief that its compiler was merely trying to cash in on the notoriety of the authentic 13th century grimoire, The Sworn Book of Honorius. In addition, he included correspondence with researchers (Junius, et. al.), notes from his own experimentation, articles both published and non-published, compiled lists of resources and photocopies from texts.	Hans Nintzel → George Fenzke → Fenzke estate → AMORC → Aashiq al-Hikma → IGF	1	Page Numbering / Index: After receiving the document, Aashiq al-Hikma added page numbers to allow for eventual indexing. When creating the index, I realized that a section was not in order.... (explanation pending). Scan Quality: Some pages having incomplete or "smeared" images originate with the document provided by Nintzel to Fenzke and cannot be rectified. Upon request, Aashiq al-Hikma will rescans the entire document using a more capable scanner.	Aashiq al-Hikma	5	Fenzke obtained this document (a photocopy) when he purchased rights to the entire RAMS collection from Hans Nintzel. Aashiq al-Hikma worked with the executor of Fenzke's estate and approached AMORC, suggesting that they then purchase these rights, which they did. Aashiq al-Hikma was in San Jose just after they received the documents, and identified that this document was not in his own collection (Aashiq al-Hikma had Fenzke's photocopies from the masters).	2016-12-17	1

After the publication of the book, however, the term gained currency in esoteric circles.	Moreh	0		2018-01-14		3	
130000000_Emmet_WhiteheadsPhilosophyofOrganism	Whitehead's Philosophy of Organism	Emmet, D.M	1931	pdf	en	Whitehead's Defence of Rationalism, Some Challenge to the Sentiment of Rationality, Primary Notions on the Philosophy of Organism, are the Eternal Objects Platonic Ideas, the Organisation of Feelings, Creativity and Order, Cosmic, Ethical and Aesthetic Order in the Timæus and in Whitehead's Philosophy, the Application of the Philosophy of Organism in Natural Theology		1	The philosophy of organism seeks to overcome the problems in the traditional metaphysical options of dualism, materialism, and idealism. Mind and matter are not seen as fundamentally distinct, the error of materialism is to fall for this first error then omit matter as fundamental, the error of idealism is also to fall for the first error then to omit matter as fundamental. The philosophy of organism seeks to resolve these issues by fusing the concepts of mind and matter, thereby creating an 'organic realism' as Whitehead also named his philosophy. 130000000_Erickson_HypnoticRealities	Hypnotic Realities	Erickson, M.H	1976	pdf	en	A Conversational Induction: The Early Learning Set, Indirect Induction by Recapitulation, The Handshake Induction, Four Mutual Trance Induction, Trance Learning by Association, Facilitating Hypnotic Learning, Indirectly Conditioned Eye Closure Induction, Infinite Patterns of Learning: A Two-Year Follow-Up	www.tikaboo.com	1	The book "Hypnotic realities" by Milton Erickson is a guide for hypnoterapists but it is very insightful for anyone who wants to know more about how the conscious and unconscious interact. Erickson explains that in our Western culture the rational mind is valued above other modes of consciousness. The conscious mind likes to be in control. However, the conscious mind is limited to only one thing that it focuses on, whereas the unconscious regulates all kinds of processes at once. Consciousness is a recent evolutionary acquisition, and its function is rather labile and limited. The unconscious on the other hand, is seen as an "intelligent, complex level of mental functioning which appears to retain certain ego functions possessed by the conscious mind..." (p.13) while at the same time it is not affected by some other functions of the ego. Trance work tries to utilize/facilitate/activate the potential of that unconscious (or subconscious). 130000000_StJohnoftheCross_AscentofMountCarmel	Ascent of Mount Carmel	St. John of the Cross	1578	pdf	en	The nature of the dark night, the necessity of passing through it in order to attain divine union, two kinds of this night, corresponding with the division of the soul into higher and lower, nature and cause of the dark night, the privation of the desire in all things, the necessity of the necessity of passing truly through the dark night of sense, which is the mortification of the desire, in order to enter on the road of union with God, the nature of desires which suffice to injure the soul, proximate means of union, faith, the second night of the spirit. The purgation and active night of the memory and the will.		1	One of the most profound accounts of a journey deep into the inner world of man, tempered by a clear understanding of one's own limitations with regard to the perception of and union with the higher. "Whoever that will attain to the union of God must not rely on his own understanding, nor lean upon his own imagination, sense, or feeling, but must believe in the perfection of the divine essence, which is not cognisable by the understanding, desire, imagination, nor any sense of man, and which in this life can never be known as it is. Yes, in this life, our highest knowledge and deepest sense, perception, and understanding of God is infinitely distant from that which He is, and from the pure fruition of His presence." 133541000_Anonymous_CorrectUsage	Correct Usage	Anonymous	1787	pdf	en	Correct Usage is a "how to" book of Alchemy. It contains 73 recipes on how to artificially clear and polish stones such as agate and lapis lazuli; how to make beautiful pearls; and how to make pleasantly scented, glowing candles. The recipes come from an old German Alchemical manuscript which is translated into very readable English. Recipes include how to separate gold or silver from steel or iron; how to make copper like gold; how to make tin which will not crush; how to prepare Sal Ammoniac; how to make oil of Tartar; and purify and refine sulphur. 133541000_Molinier_FlamelsAlchemy	Flamels Alchemy	Molinier, D	1723	pdf	en	The Bibliothèque Nationale in Paris holds a manuscript of nearly 400 pages, attributed to the Knight of Molinier, Denis Molinier, and dated 1772-1773. It presents the Great Work as explained by Nicolas Flamme1 to his nephew. This is a portion of that work, extracted by Fabrice Bardeau, and translated into English for the Philosophers of Nature. Published by Triad Publishing.	LPN → Russ House → IGF	1	Les Philosophes de la Nature experimented significantly with the "Flamme Path". Their research included analysis of the entire manuscript held by the Bibliothèque Nationale de France. This is an excellent, brief excerpt from that work which explains much of the Flamme Path.	Russ House	0	2018-03-15	1
133541000_Molinier_HabrahamJuifPrincePretre	Habraham juif, prince, prétre, lévite, astrologue et philosophe, à la nation des Juif, répandue dans toute la Gaule, salut en notre Seigneur. — Livre des figures hiéroglyphiques, avec l'explication des fables des potbes, des mystères du Christianisme, de l'alcimie de la pharmasie, suivant les nombres	Molinier, D	1701	pdf	fr	This manuscript from the hand of the Knight Denis Molinier gives an interpretation of the Book of Abraham the Jew or Flame's Alchemy. The Manuscript is obviously the fruit of extensive operative work in the lab with extensive notes on weights and proportions of the different materials used. Russ House has previously donated the English translation of Fabrice Bardeau to the Alchemy Archive (see 133541000_Molinier_FlamelsAlchemy). This translation, however, does not cover the entire book and therefore reference to the original in French is invaluable.	BnF	1		Moreh	0	2018-08-19	1

133549000_Hamamura_AntimonyandArsenicOxidizingBacteria	Antimony- and Arsenic-Oxidizing Bacteria	Hamamura et al	2013	pdf	en	Identification of Antimony- and Arsenic-Oxidizing Bacteria Associated with Antimony Mine Tailing, by Natsuko Hamamura, Koh Fukushima and Takaaki Itoi, published in Microbes and Environments in 2013		https://www.jstage.jst.go.jp/browse/sme	1	Years ago I contacted a company in Texas to obtain 'crude antimony fume', after having seen a display in the company's booth at a plastics trade show (antimony compounds are used as flame-retardants in some plastics). The samples displayed to depict stages in the process of producing antimony oxides by roasting stibnite included a 'crude antimony fume' that was similar to the antimony fume used extensively by Paracelsus College, and of interest to researchers. I followed up with the plant manager I had met at the trade show to inquire about obtaining some of this material. I was referred to a scientist at the company, and he declined my request for the material due to risk of polluting the groundwater if my method of containment was not adequate. While disappointed, I used the opportunity to explain that I was interested in the phenomenon whereby antimony-containing minerals will, at times, yield highly acetic products when exposed to rain water over time (vinegar of antimony). He confirmed my belief that microbial action could cause this. The paper identifies some bacterial strains which are active on antimony and arsenic (commonly found in antimony ores). 133900000_Blair_TheMagusofJavaJohnChang	The Magus of Java - John Chang [360p].mp4	Blair, L.		mp4	en	This is a sequel to Lawrence Blair's Ring of Fire in which he visits the Magus of Java again to get a better idea of his "superpowers."			1	The practice of Mo Pai as transmitted by John Chang could be considered "Body Alchemy" which is applied to gain special healing abilities but which also comes with certain secondary powers. These secondary powers are not an aim in itself but are seen as milestones along the path. I have studied the practice with Jim McMillan. In total there are 33 levels of advancement. The first level is already a challenge as it involves a test of the ability of telekinetics.	Moreh	0		2018-06-05	R

200382000_Kay_DaturaAmericanArchaeology	Datura - American Archaeology	Kay, P	2005	pdf	en	(c) Paul T. Kay. A presentation at the 70th Annual Meeting of the Society for American Archaeology, March 2005 Salt Lake City, Utah. Explores the curious link between the Night Flying Hawkmoth and the Datura plant as a key to symbolism in Ancient American art and ritual. Moths appear as motifs in ceramics and murals, in which the dancers are attired as moths. The 'plumed serpent' is identified as the larva of the Night Flying Hawkmoth. Datura was used by shamans in this cultural group. Well illustrated.			1	As a young boy I had an interest in many areas of natural science, and was had studied butterflies, moths and other insects. While visiting my grandfather in Tennessee, at dusk, my father pointed out the moths coming to visit the large datura flowers as they were opening. I recognized them as a variety of sphinx moth, and noticed the heavy, sedating perfume of the datura.	Russ House	0		2018-03-19	R
257.620 Druidism															
257620000_Higgins_TheCelticDruids	The Celtic Druids	Higgins, G	1827	pdf	en	Hierarchy of the Druids, The Druids obtained the chief Power, The Druids the Assertors of their Country's Liberty, Celts and Druids in Germany, Same Priests in Persia, Judea, and Britain, Druids superintending the Education of Youth, Immortality of the Soul and Melempychosis, Druids had an excellent System of Morals, Judges and Administrators of the Law, Mistletoe and other Sacred Plants, Worship of the Serpent and the Anguinum, Worship of the Sun in Taurus, Human Sacrifices, The Institution of Priesthoods an Evil.		Welcome Historical Medical Library	1	Brilliant book, fascinating and unique perspective on the origins of druidism. When it comes to history the author seems at times to work on more by intuition than on evidence, but the evidence he brings to the table is nevertheless of interest. For example, the chapter on Hebrew Chronology and the connection with the Druids from mount Libanus, the Trusci and those who went by the Hebrew name o DRS - "these very very ancient people" - is reminiscent of the ancient tradition which, as legends say hales back 9000 years ago and involved the "Priestly Path to the Stone" as followed by the alchemists that were also called Druids and which many a remnant was later still found, most notably, among the Celts. This is a very good book on Druidism. The author was rumoured to be a Freemason and was even allegedly a Chosen Chief of the Order of Druids.	Moreh	0		2018-06-04	R
257620000_Kennedy_TheDruid	The Druid	Kennedy, J.	1812	pdf	en	The Seer of Glen-Myyr, a tale, illustrative of ancient lore, On the transitory nature of wealth and grandeur, On early rising, containing stanzas descriptive of the morning, The Heir of Strath-Gartney, a metrical tale, Evaline, On the future abode of the blessed, including descriptions of the Classic Elysium, of the Valhalla of the Scandinavians, and of the Flath-Innis or Noble Isle of the Celtic nations, On the moral effect of contemplating the works of the Creator, particularly the stars and other heavenly bodies.		Library of Congress	1	The author justly mentions: "The Druid observes, with regret, that oblivion has nearly obliterated every memorial of his Order, even in the land consecrated, of yore, by the celebration of their ancient rites. In the 20 th century some efforts were made, notably in the UK, to reconstruct druid orders but the question remains how much actually could be called actual Druidism. The author of this book might rather have been a Mason than a Druid as well, but being published in the early 1800s, it is nevertheless an early source to take into consideration.
